4. In the reference forth read above, the Chief Engineer, Krishna Delta System, Water Resources Department, Vijayawada has stated that the APSIDC authorities informed that one L.I.Scheme was sanctioned in G.O.Ms.No.80, dated:13-05-1997, and 3 L.I. Schemes were sanctioned in G.O.Ms.No.118, dated:31-07-2003. These L.I. schemes started functioning during 2005 in the three villages which were already notified for Land Acquisition under Pulichintala Project submergence area in 1995. Act are not eligible for any consideration from the point of view of Resettlement & Rehabilitation. The same has also been informed to the District Collector, Nalgonda vide Letter No.2637, dated: 16.12.2014 of Chief Engineer, Krishna Delta System, Vijayawada.
